

SCHOOL IMMUNISATION PROGRAM – YEAR 7 & YEAR 10

In 2023, as part of Queensland Health's annual free vaccinations available via the School Immunisation Program, Year 7 students are offered Human Papillomavirus (HPV) and Diphtheria-Tetanus-Pertussis (Whooping Cough) vaccination. Year 10 students are offered Meningococcal ACWY vaccination.

Clinics were conducted at your school in Term 1 for Year 7 and Year 10 students who returned signed Vaccination Consent Cards.

As all 2023 clinics have now been completed by Ozcare: -

- Any students who did not return a signed Consent Card and wish to be vaccinated, are eligible to attend a Catch-Up Clinic in 2024. Date TBC. Please contact Ozcare on 4130 8900 to obtain a Consent Card.
- If a Consent Card was returned and your student was absent at the clinic this year, they will be notified to attend a Catch-Up clinic in 2024. Date TBC. Please contact Ozcare on 4130 8900 to notify if you choose not to Catch Up at the 2024 school clinic and wish to withdraw consent from the School Program.

For further enquiries regarding your child's immunisation, please contact Ozcare on 4130 8900.
