Help protect the Great Barrier Reef

Engaging activities

Hands-on activities including games, VR, coral monitoring, art activities, roleplay ... We'll make sure you have a blast while learning about coral conservation.

Expert speakers

Get inspired by our youngest CoralWatch Ambassador, Elijah Richardson and the CoralWatch team who will share their experiences and knowledge.

Connect with Like-minded

Meet other people who share your passion for the ocean and build lifelong friendships. Together we can organise activities to make a difference for reefs!

Dive into the Blue

Daytrip to Lady Musgrave Island to get amongst the corals and collect CoralWatch Data.

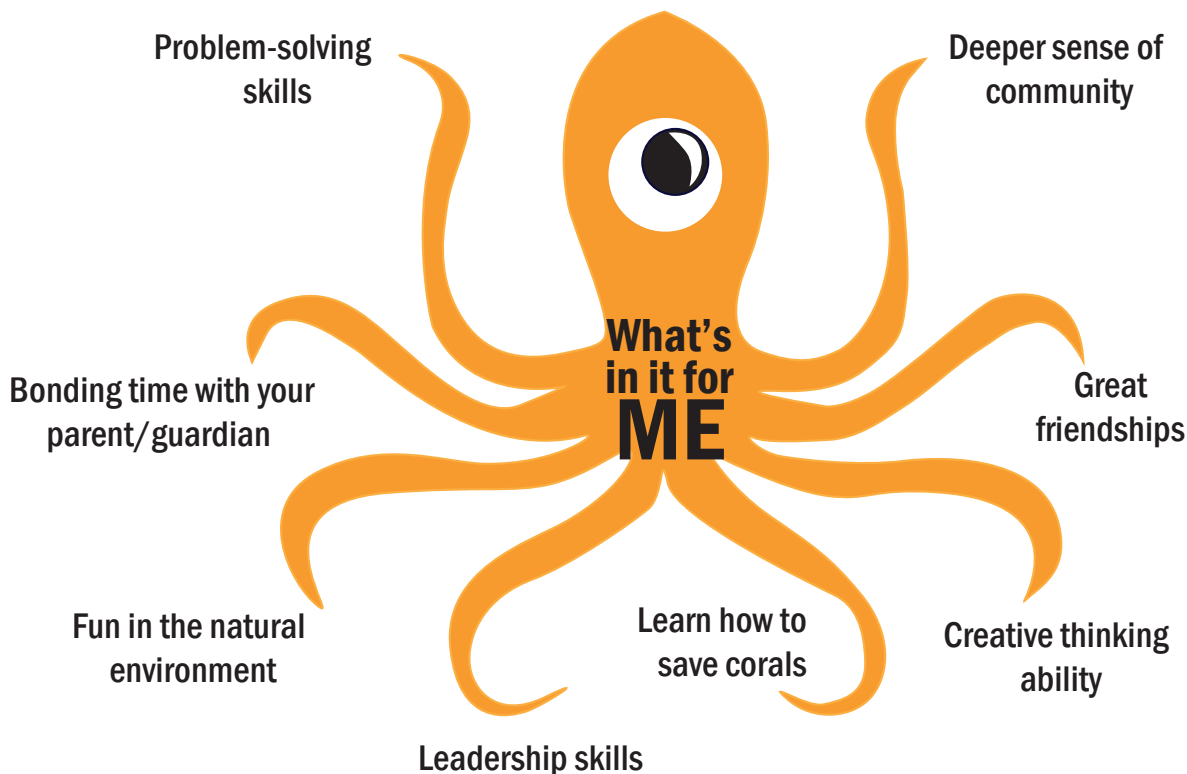

Learn lots about local corals

Gain practical skills and knowledge to become a real-life coral crusader. Learn about why corals reefs are so important, and their role in marine ecosystems.

Practise and act

Discover all the things you can to reduce your ecological footprint, and how you can inspire others to take action to help save the reef.

What's in it for the REEF and CoralWatch

- Your commitment for 2024 to help save reefs
- Organise activities as a CoralWatch Ambassador team in your community
- Inspiring your friends and family to help save reefs from home
- Sharing your activities with CoralWatch on a regular basis

This workshop is open to all young coral crusaders aged 8 to 14 years, together with their parent/guardian, living in the Bundaberg Region (+/- 150 km radius).

Eligibility

- Child and parent/guardian are both confident swimmers/snorkelers (200 meter without support).
- Child and parent/guardian are both available to attend the full 4-day intensive workshop from 11-14 December in Bundaberg area.
- Child and parent/guardian are both available in volunteer capacity in 2024.

What's included

- CoralWatch will deliver a 4-day workshop (8.30AM-5PM) with most activities conducted at Elliot Heads hall.
- Exciting daytrip to Lady Musgrave Island with Lady Musgrave Cruises exploring the reef.
- CoralWatch provides workshop materials, Ambassador t-shirt, professional expertise, a certificate upon completion and onward support to assist with your Ambassador activities.
- CoralWatch provides daily lunch.

What's not included

- Participants pay a workshop contribution fee of \$320 AUD per parent/child team (Musgrave trip included!).
- Participants arrange their own transport to various locations during the workshop.
- Participants arrange their own breakfast, dinner and accommodation (if outside the area).

How to apply

- Applications are open from 1-31 October.
- Your child's participation in this workshop is conditional on parent participation, it's teamwork!
