4. The course has four modules (parts) that must be completed:
   o What is academic integrity and why is it important?
   o What is academic misconduct?
   o Effective academic practices
   o How do I use the drafting process to improve my work?

   Open the first module of the course and work your way through the lessons and complete all activities. You must completely finish each module before moving onto the next one. To be signed off as completed you will need to finish all four parts successfully.
