

# SHALOM COLLEGE – TUITION FEES & LEVY SCHEDULE FOR 2023

## The purpose of School Fees

Catholic schools are open to all who seek and support the values espoused by the school. The provision of Catholic schooling is made possible through parental payment of school fees and levies combined with funding support provided by Federal and State governments. The continuing provision of quality Catholic Education for all students in the Diocese requires that all enrolling parents/caregivers pay school fees and levies as and when they fall due.

### Building Levy:

Meeting the needs of students seeking a Catholic education requires significant capital works through building new schools/facilities, refurbishment, and maintenance. Capital works are supplemented through Building Levies charged to families through normal school fee billing processes. Where families attend a Diocesan Catholic primary school, the fee is charged once and collected by the Primary school. No tax deduction is possible, as this fee forms a collectable part of school fees.

## OTHER CHARGES (NOT SUBJECT TO DISCOUNT)

**INSTRUMENTAL MUSIC CHARGES** – A separate charge will appear on the annual school fee account.

**CERTIFICATE COURSES** - A separate charge will appear on the annual school fee account.

**PRINT CHARGE** – A \$20 print charge is included in each students' fees to cover the printing cost from computers. If this credit is used, students will be required to contribute a further amount towards their printing account.
