

EXPRESSION OF INTEREST 2017

TALENT PROGRAM

Dear Parents/Guardians

The Bundaberg Talent program for 2017 is starting. The program is expanding this year to incorporate three qualifications for students to undertake as a School Based Apprentice or Trainee.

An information session at your school is being conducted on the 20 July 2016 at 3:15pm. If your student is interested in undertaking a school based apprenticeship/traineeship starting in December 2016 it would be advisable to attend the information session to obtain more information. Application forms will be available at the information session; the applications will need to be completed at the session. Please bring a resume to attach with the application forms for submission.

There will be approximately 12 positions available for each qualification offered. Students that are interested in applying for these positions, if successful will need to be available on their school holidays for the practical component of the apprenticeship/traineeship. This is paid employment.

One day per week is allocated and agreed to by the school for the theory component of the qualification. Students will be required to attend the Bundaberg Campus, TAFE Queensland East Coast to undertake the theory training required with the TAFE teachers in the chosen industry.

It is beneficial for anyone interested in following the career paths of the qualifications available to attend the information session.

Below is an expression of interest slip that needs to be filled out and returned to Mrs O'Donnell.

STUDENT NAME:	
<i>Please Select</i>	<input type="checkbox"/> Certificate II in Engineering
