at our regions three
patrolled beaches**

SEAHORSE NIPPERS

Our three Life Saving Clubs are delighted to invite children with special needs to join our inaugural Seahorse Nipper Program in March/April 2017.

This program provides the opportunity for children with special needs to participate in modified Surf Life Saving activities in a controlled and assisted environment. This program was created by parents of a child with a disability to enable inclusion over 15 years ago and has progressively been implemented by various Surf Life Saving Clubs over the years following. With thanks to Noosa SLSC, several of our members were invited to participate within their program and immediately experienced hands on the joy and benefits of the program. This highlighted the need for such a program within our region.

The program shall be run over three consecutive weeks for one hour at 10.00am on a Saturday morning. Each of our regions three clubs have combined to run this fun program jointly. Each club will only run the program on one of the nominated weekends as all of our volunteers will be required to assist each club run the program.

The first weekend will be run at the Elliott Heads Club with the assistance of the other clubs. The second weekend will be run at the Moore Park Club and the final weekend at the Bundaberg Club each with the assistance of the other clubs.

For further information or to register your child, please forward your application form by email or post by **Wednesday 15th February** to the following: seahorsenipperswbc@gmail.com

Due to limited spaces available in the inaugural season of operation, application unfortunately does not guarantee a position in the program, however the successful completion of this program will enable expansion and support to cater for more of our little assets to become a part of.

WEEK ONE, ELLIOTT HEADS
SLSC – Park Street,
Elliott Heads

WEEK TWO, MOORE PARK
SLSC – Surf Club Drive,
Moore Park Beach

WEEK THREE, BUNDABERG
SLSC – Neilson Park,
