OPTIONS DAY

9:30am-1:30pm

Bundaberg Multiplex Centre
1 Civic Street, Bundaberg West

Opening doors to skills and educational pathways for people with disability

Don't miss one of Bundaberg Region's most exciting and inclusive annual events for people with disability!

Join the more than 700 attendees, special guest speakers and over 50 exhibitors that made last year's event so special – and get ready for an even bigger affair in 2017 as we celebrate Options Day's sixth year!

Options Day is a FREE, annual community event for people with disability, their friends, and family living in the Wide Bay Burnett and surrounding regions. This year's event coincides with the rollout of the National Disability Insurance Scheme (NDIS) in Bundaberg and serves as an exciting lead-in event for Disability Action Week 2017 (10-16 September).

Come along and explore the educational pathways and countless other opportunities available to people with disability – through an array of exhibitor booths, hands-on activities, demonstrations, guest speakers and much more.

Like the event page on [facebook.com/optionsday](https://www.facebook.com/optionsday) and enter the draw for a chance to WIN a \$100 Harvey Norman gift card! Or follow us on www.twitter.com/optionsdaybundy

Would you like to have a stall at Options Day 2017?
