	Mrs Wilson		Japanese	Email

**Please note: On occasions, staff offering tutoring outside regular school hours may be unable to attend school and may miss tutoring. Where the absence is expected, teachers generally communicate this information via Daily Notices.**

**In the event that a teacher is unexpectedly absent from school students who expected to attend a session, and who have either been dropped off early or who need to await collection, are asked to wait in the covered area (Middle School lunch area) if the library is not open.**
