2018 Mayoral School Chaplaincy Support Breakfast

Please come along and support our local school chaplains and the important work that they do within our regional schools. Our school chaplains help to bring hope to our young generation through their one-on-one services. Through positive and supportive relationships they help our young people with everyday life matters, as well as the more critical issues like substance abuse, relationship issues, family breakdown, depression and low self-esteem.

Guest Speaker: Lachlan Smart

The Bundaberg Region is well known for its connection to aviation achievements and this year's Mayoral Chaplaincy Breakfast will feature a guest speaker who has followed in the footsteps of Bert Hinkler.

At just 18 years old aviator Lachlan Smart became the

youngest person to fly solo around the world in a single engine aircraft.

Touching down in Bundaberg in August 2016 to complete the journey, Lachlan's last two legs from Darwin to Longreach and then from Longreach to Bundaberg were reminiscent of the route of Hinkler, who was the first to fly solo from Great Britain to Australia in 1928.

He now holds a place in the Guinness Book of Records and has plenty of thrilling stories to share from his adventures.

Lachlan's main message is to prove to others that they too can set goals and achieve their dreams.
