

Thank you for your donations !!!!!

In conjunction with Louise Laffey and working in direct support of the Drought Angels, we are helping put together a drought relief run out to Jericho.

Departing the 14th September, we are delivering hay, stockfeed, fresh produce and grocery hampers.

Over that weekend, we will be greeting local farming families from Jericho area who are in desperate need of assistance due to the never ending drought they experiencing.

We are still a long way short of what we wish to take on the run, so we are seeking your help .
