STUDY AREAS

WHETHER YOU DREAM OF A CAREER IN FASHION OR FITNESS, MUSIC OR AUTOMOTIVE, HEALTH OR HOSPITALITY, EARLY CHILDHOOD OR CONSTRUCTION, TAFE QUEENSLAND HAS THE COURSE OPTIONS TO KICK-START YOUR CAREER.

AGRICULTURE AND RURAL OPERATIONS

Learn while enjoying the outdoors and watch your work come to life. Turn your passion for conservation into a career, or get ready for a life on the land.

14

AUTOMOTIVE

Get the foundational knowledge and skills you need to set yourself on the path to becoming a mechanic.

16

BEAUTY AND HAIRDRESSING

Fashion your own style and launch a career in retail, skin care, photographic make-up or hair styling that could see you working on photo shoots, film sets and catwalk shows.

18

BUILDING AND CONSTRUCTION

Gain practical hands-on skills in a range of construction trades, including plumbing, carpentry and furniture-making. These programs provide the foundation for a wide range of occupations.

20

BUSINESS

There is a huge demand for employees in this sector, so now is the time to fast-track your career in business and enrol in a course that's an investment for your future.

23

COMMUNITY SERVICES

Gain an introduction to community services and discover a pathway into higher level qualifications. Gain the skills to connect with clients, identify presenting needs and refer to appropriate services and support.

24

EARLY CHILDHOOD EDUCATION AND CARE

Kick-start a rewarding career teaching and caring for young children. Learn the hands-on skills you need to nurture and care for the next generation.

25

ELECTROTECHNOLOGY AND ENGINEERING

Get the foundational knowledge and skills you need to set yourself on the path to becoming an engineer or electrician.

26

FASHION

Become a trend-setter and create the latest looks with a career in fashion. Be inspired by colour, texture and fabrics, and watch your creativity and originality blossom.

28

COURSE BY LOCATION PAGE 50

If location is key for you, search for courses by campus location.

HEALTH

Calling on all nurturers and carers who have a passion for health. This course will open doors to a rewarding career in one of Australia's fastest-growing sectors.

29

HOSPITALITY AND COOKERY

Get the skills and knowledge to be competent in a range of kitchen activities within hospitality establishments and food preparation industries.

30

INFORMATION TECHNOLOGY

Put yourself at the forefront of emerging technology and trends with a qualification that could see you launching the next great tech start-up.

34

MEDIA

Bring your creativity to life and develop the skills to create marketing materials using the Adobe Creative Suite. Expand your knowledge in web design, photo imaging, graphic creation and app development.

35

MUSIC AND SOUND PRODUCTION

Put yourself in the spotlight with a course in music and sound production. Learn performance art, sound mixing, editing, production, and music management.

37

RETAIL

The retail industry can offer you a fast-paced, flexible and diverse experience. Learn to provide product advice and customer service across a variety of retail settings.

40

SPORT AND RECREATION

Energise your career with a course in fitness. Get the skills to organise and guide daily workout activities and undertake client health assessments.

42

TOURISM

Develop skills in communications, planning, organisation and operations management that will enable you to excel in the exciting field of tourism.

46

VISUAL ART

Paint a bright future with a qualification that harnesses and showcases your creative talent. Start your journey to become a professional artist or photographer.

48

GET MORE OUT OF HIGH SCHOOL WITH OUR TAFE AT SCHOOL PROGRAM

If you're a year 10, 11 or 12 student, you can complete a TAFE Queensland qualification while you're still at school.

Choose from a variety of certificate I to certificate III courses with study areas ranging from hospitality to horticulture, early childhood education to engineering, and everything in between.

A person with blonde hair is sitting at a desk, looking towards the right. On the desk, there is a glass of water and a laptop. The background is a blurred interior space with vertical elements.

HOW TO APPLY

To submit an application for a TAFE at School program, visit **www.tafeapply.com**.

You'll need the **application code** for the TAFE that you wish to apply for. This can be found in the back of this guide, in the list of **programs by location**. To apply, you will also need your USI number. If you don't have one yet, head to **www.usi.gov.au** to create one.

TAFE AT SCHOOL STUDY OPTIONS

GET STARTED AT TAFE QUEENSLAND

TAFE Queensland is the largest and most experienced provider of vocational education and training in the state. It's a big statement, but one that's backed by research and confirms our impressive track record. We've been in the business of training for more than 130 years and have trained more than seven million people. At last count, we had more students than all the Queensland universities combined.

TAFE Queensland's award-winning teachers, purpose-built facilities and strong industry partnerships will help you get the real-world skills that you need to achieve your future career or study goals. We have more than 400 practical, nationally-recognised qualifications for you to choose from, and hundreds of university pathways to take you even further.

GET A HEAD START WITH A TAFE AT SCHOOL COURSE

Most year 10, 11 and 12 students are eligible to participate in a TAFE at School program. You can choose to study from more than 50 exciting and varied certificate-level vocational education and training (VET) courses. Best of all, a TAFE at School certificate can be achieved in conjunction with your senior studies and counts towards your Queensland Certificate of Education (QCE).

TAFE AT SCHOOL IS A GREAT WAY TO:

- Get a qualification while still at school
- Gain direct entry into our diploma courses
- Gain valuable credits towards your QCE
- Gain credits towards an apprenticeship, diploma course or university studies
- Make you work ready
- Build practical skills in an adult learning environment
- Learn from professionals, bursting with current industry knowledge.

Enrolment is subject to eligibility requirements. Please visit our website or contact our TAFE at School team for details.

INDUSTRY EXPERIENCE

Some TAFE at School programs require students to undertake work placements, or in some instances, work in the industry. This gives students the opportunity to build their skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to commencement.

FLEXIBLE STUDY OPTIONS

TAFE Queensland offers flexible study options so you can gain a vocational qualification while you're still at school in a way that best suits you.

TRAIN AT TAFE QUEENSLAND

TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-relevant workspaces and classrooms. All training is delivered in an adult learning environment so you'll get a taste of what it's like to study in a higher education setting. You'll learn from our highly-qualified teachers and benefit from their vast experience.

TRAIN AT SCHOOL

Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland certificate when you complete your course.

SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP

TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you're still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

Apprentices are trained in a skilled trade such as plumbing or electrical, and upon successful completion, will become a qualified tradesperson. Trainees are trained in a vocational area, such as early childhood or business, but the training does not deliver a tradesperson qualification.

After selecting the industry you are interested in and talking with your school and parents, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us.

School-based apprentices and trainees do not pay fees for training at TAFE Queensland; however you may need to pay some costs for tools and compulsory protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships call 1800 210 210 or visit www.training.qld.gov.au/apprenticeshipsinfo

WHAT DOES IT COST?

Costs vary course-to-course. Please check our website for the most up-to-date prices. A range of TAFE at School courses are fee-free for eligible students, covered under VET in Schools (VETiS) funding. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past. For further information, please refer to the VETiS section of training.qld.gov.au.

Eligible students are entitled to one VETiS funded program only.

PAYMENT OPTIONS

Payment plans may be available to assist students with payment of their course; however students under 18 will need a guarantor. Applications will be subject to credit checks.

For information about our withdrawal and refund policy, please visit the TAFE Queensland website.

STUDENT SUPPORT

At TAFE Queensland, we aim to create a supportive and inclusive learning environment to help you achieve your study goals. Your school's student assistance program is responsible for ensuring you receive appropriate levels of support while you are participating in the TAFE environment.

*Note: All information was correct at the time of print; however details are subject to change without notice. Units of study shown are a guide only and may be subject to change without notice. Always check our website for the most up-to-date information available.

TIMETABLED TO YOUR SCHOOL YEAR

YEAR 10	29 November 2019

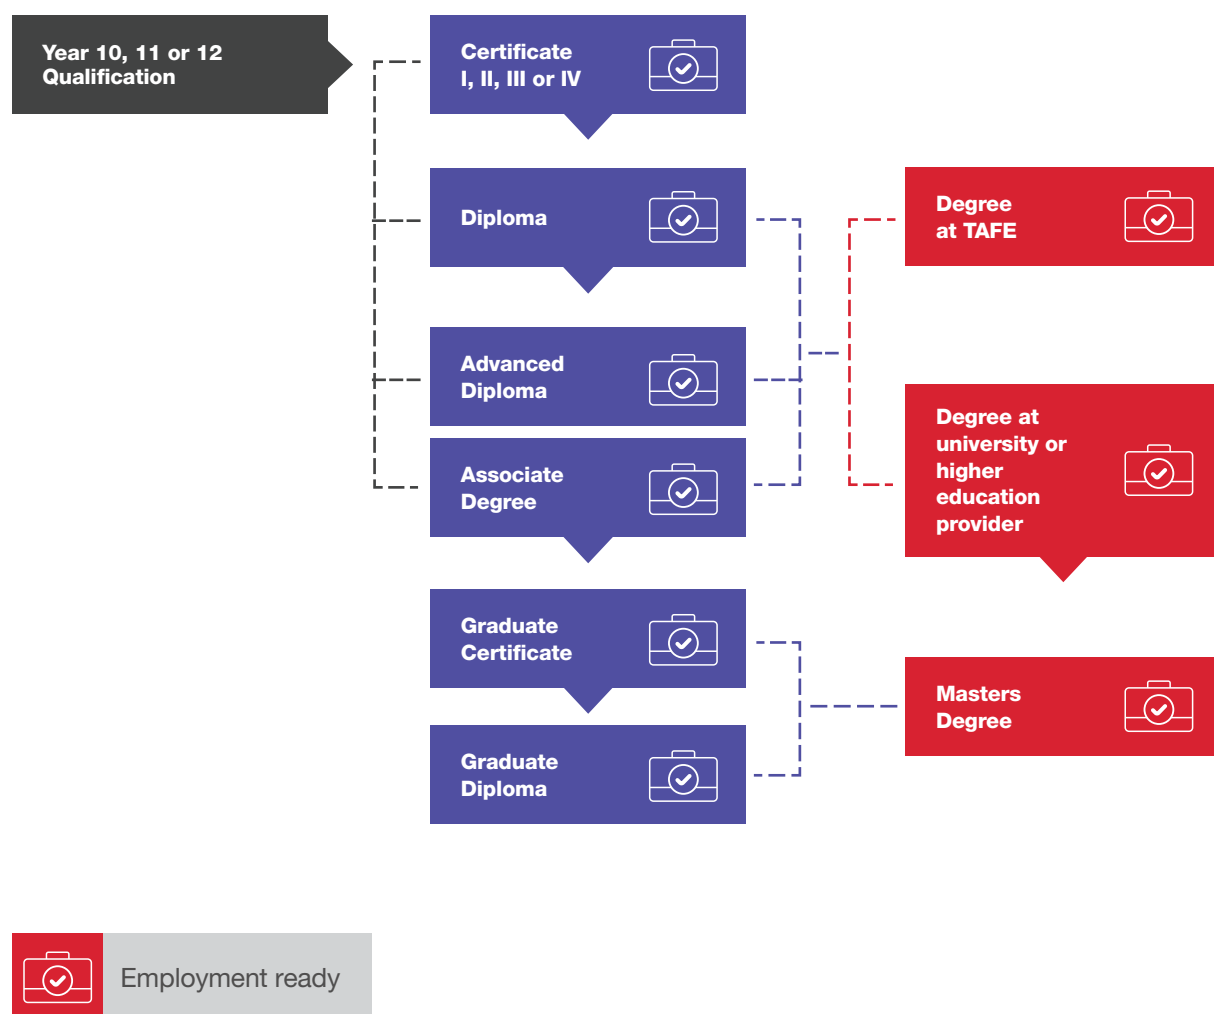

PATHWAY TO YOUR FUTURE

THERE ARE PLENTY OF WAYS TO LAND YOUR DREAM CAREER, SO WHY NOT GIVE YOURSELF A HEAD-START AND FAST-TRACK YOUR STUDIES IN THE PROCESS?

When you study a TAFE at School course, you are taking the first step on your path to higher education.

Once you complete your TAFE at School certificate, you are guaranteed a place in any of TAFE Queensland's diploma courses. When you complete your diploma, our partnerships with local universities can help you guarantee a place in a bachelor degree.

THE NEXT STEP

BECOME AN APPRENTICE OR TRAINEE

Our trades courses offer the perfect way for you to get the skills you need to secure an apprenticeship or traineeship in your dream career.

Applying for an apprenticeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees.

Visit an Apprenticeship Network Provider (ANP) to help connect you with an employer.

Studying a TAFE at School pre-apprenticeship can boost your chances of landing your dream job.

Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract direct with TAFE Queensland.

ENROL IN A TAFE QUEENSLAND CERTIFICATE OR DIPLOMA

When you complete your TAFE at School qualification, you can continue your study in a TAFE Queensland diploma of your choice.

It's as simple as getting in contact with us and letting us know which course you want to study.

Check out our website to see our full range of courses, from certificates through to diplomas and degrees.

GO TO UNIVERSITY

When you complete your diploma, our partnerships with local universities can help you guarantee a place in a bachelor degree. It's a seamless study experience that offers you the chance to do uni differently.

In many cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.

Many of our diploma courses have formal articulation arrangements with some of Australia's top universities. This means your university gives you credit for your study at TAFE Queensland, shaving time off your degree.

OUR PARTNERSHIPS

PARTNERSHIP WITH SCHOOLS PROGRAM

TAFE Queensland's Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland award on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact the TAFE at School team.

TRAINING FOR SCHOOL TEACHERS

TAFE Queensland offers low-cost training for school teachers so they can deliver VET programs at their school.

Teachers can train in certificate I and II programs relevant to the delivery of TAFE at School programs, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing trade-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

CONTACT US

For more information about partnerships, please contact our TAFE at School team on **1300 308 233**.

DELIVERY

Face-to-face

CAMPUS

Bundaberg, Gympie, Nambour

DURATION

4 terms

ATTENDANCE

1 day per week plus 80 hours
of vocational placement

QCE CREDITS

4 credits

In this course you will be given the practical skills and knowledge to use hand and power tools, carry out welding, read and interpret plans, and calculate quantities and other measurements. You will learn about working safely and effectively in the workplace and how to adhere to the industry's regulations and standards.

Successful completion of this course will give you the confidence to seek an apprenticeship in general plumbing or roof plumbing. You may also seek employment as a trade assistant.

BUILDING AND CONSTRUCTION

*No cost to student or school. Fully government subsidised for eligible students.

**DELIVERY**

Face-to-face

CAMPUS

Bundaberg, Hervey Bay

DURATION

4 terms

ATTENDANCE

1 day per week

QCE CREDITS

4 credits

In this course, you will gain broad-based underpinning skills and knowledge to complete a range of furniture making tasks. You will learn to select and use appropriate tools, equipment and materials to produce simple pieces of furniture or furnishing components and prepare for cabinet installation.

Successful completion of this course will put you in the best position to gain a cabinetmaking apprenticeship or allow you to seek employment as a trades assistant or product assembler.

BUILDING AND CONSTRUCTION

CERTIFICATE II IN FURNITURE MAKING PATHWAYS

COURSE CODE: MSF20516  VETIS FUNDED***COURSE UNITS**

MSFFP2003	Prepare surfaces
MSFFP2006	Make simple timber joints
MSFFP2004	Apply domestic surface coatings
MSFFP2002	Develop a career plan for the furnishing industry
MSFFP2001	Undertake a basic furniture making project
MSMPC1103	Demonstrate care and apply safe practices at work
MSMSUP106	Work in a team
MSFFM2003	Select and apply hardware
MSFFM2002	Assemble furnishing components
MSFFM2001	Use furniture making sector hand and power tools
MSFGN2001	Make measurements and calculations
MSMENV272	Participate in environmentally sustainable work practices

PATHWAY OPTIONS**Certificate II** in Furniture Making Pathways

Apprenticeship only

Get a head start on your career in early childhood education and care with this entry-level course. This qualification is the minimum requirement for early childhood settings in Australia and will set you up with the foundation skills to get ahead. The number of early childhood roles is expected to grow steadily in Australia and employers are seeking qualified staff for roles across a wide range of settings.

Successful completion of this course will allow you to confidently seek employment in a range of entry-level early childhood education and care roles, and equip you to complete further studies in the field.

ELECTROTECHNOLOGY AND ENGINEERING

CERTIFICATE II IN ELECTROTECHNOLOGY

COURSE CODE: UEE22011  VETIS FUNDED*

CORE UNITS

UEENEEE101A	Apply Occupational Health and Safety regulations, codes and practices in the workplace
UEENEEE141A	Use of routine equipment/plant/technologies in an energy sector environment
UEENEEE148A	Carry out routine work activities in an energy sector environment
UEENEEE179A	Identify and select components, accessories and materials for energy sector work activities
UEENEEK142A	Apply environmentally and sustainable procedures in the energy sector
UEENEEE104A	Solve problems in D.C. circuits

ELECTIVE UNITS

UEENEEE137A	Document and apply measures to control OHS risks associated with electrotechnology work
UEENEEE102A	Fabricate, assemble and dismantle utilities industry components
UEENEEE105A	Fix and secure electrotechnology equipment
UEENEEE107A	Use drawings, diagrams, schedules, standards, codes and specifications
UEENED101A	Use computer applications relevant to a workplace

PATHWAY OPTIONS

Certificate II in Electrotechnology
(Career Start)

Apprenticeship only

Certificate III in Electrotechnology
(Electrician)
Certificate III in Instrumentation
and Control
Certificate III in Air-conditioning
and Refrigeration
Certificate III in Appliance Service
Certificate III in Electronics and
Communication

Certificate IV in Electrotechnology –
Systems Electrician
Certificate IV in Hazardous Areas –
Electrical
Certificate IV in Industrial Automation
and Control
Certificate IV in Electrical –
Instrumentation

Diploma of Electronics and
Communications Engineering
Diploma of Instrumentation and
Control Engineering
Diploma of Air-conditioning and
Refrigeration Engineering

Advanced Diploma of Electrical –
Engineering
Advanced Diploma of Electronics and
Communications Engineering

CAREER OUTCOMES

Electrical trade assistant/worker

General electrician, electronics and
communications tradesperson,
electrical instrumentation
tradesperson, air-conditioning and
refrigeration, electrical fitter

Electrical fitter, electrician–
special class, installation technician,
industrial automation and control
technician, electrical instrumentation
tradesperson

Technical officer specialising
in electrical, engineering,
instrumentation and control,
electronics and communications, or
refrigeration and air-conditioning

Electrical engineer, senior technical
officer specialising in electrical
technology or electronics engineering
