MEA344	Remove and install aircraft components
MEA418	Perform basic repair of aircraft internal fittings during line maintenance
MEA119	Perform admin processes for certification of civil aircraft A Level Line maintenance
MEA347	Perform scheduled line maintenance activities on piston engine fixed wing

COURSE DELIVERY

This course is delivered via E-learning online, distance assessment activities, written examinations and a final assessment activity with a qualified assessor. Part of the course will be able to be completed by distance; with the option of submitting assessments online or by post. The practical modules will be undertaken at one of our training facilities. The modules are sequenced in a way that allows a logical progression. Participants will be provided with professionally presented reference material to assist them in developing their knowledge of the subject.

COURSE DURATION

The program is designed to be delivered and completed in 12 - 15 months, however this may vary depending on previous experience. A longer duration may be chosen to allow students to maintain their normal work or study routine.

ENTRY REQUIREMENTS

There are no specified entry requirements for this training program.

STUDENT INFORMATION

Detailed student information is available from our help desk. This contains important information about a student's rights and obligations such as their right to privacy, a safe training environment and the right to complain or appeal an assessment decision. It is important that persons applying for enrolment have had the opportunity to review this information first. If you have not yet received the Student Handbook, please contact us immediately.

PAYMENT OR FUNDING OPTIONS

Year 10 - 12 School Students

VET in Schools program VETis – funded by the Queensland Government
Vocational Education and Training in Schools (VETiS) is delivery of nationally recognised qualifications to school students, providing them with the skills and knowledge required for employment in specific industries. VETiS qualifications can be undertaken in years 10, 11 and 12, and can count towards the Queensland Certificate of Education.

VETiS funded by the VET investment budget is fee-free for students. For further information
https://training.qld.gov.au/providers/funded/vetis

Fee Paying Students

Full fee paying students pay a total cost of $6,160 (no GST payable) via instalments per unit of competency.
