## COURSE DELIVERY

This course is delivered by a combination of classroom training in your school with a Skills Compliance trainer, self-paced students at home, with full online support, all with active hands on practicals and site visits at the local maintenance airport facility, with Skills Compliance trainers.

## COURSE DURATION

Skills Compliance can design program options to accommodate each school and students' schedules. Courses follow the academic school and can start in Term 1 or 2.

## ENTRY REQUIREMENTS

There are no specified entry requirements for this training program.

## STUDENT INFORMATION

Detailed student information is available upon application. This contains important information about a student's rights and obligations such as their right to privacy, a safe training environment and the right to complain or appeal an assessment decision. It is important that persons applying for enrolment have had the opportunity to review this information first. If you have not yet received the Student Handbook, please contact us immediately.

## PAYMENT OR FUNDING OPTIONS

### 10 - 12 School Students

**VET in Schools program VETis** – funded by the Queensland Government

Vocational Education and Training in Schools (VETiS) is delivery of nationally recognised qualifications to school students, providing them with the skills and knowledge required for employment in specific industries.

VETiS qualifications can be undertaken in years 10, 11 and 12, and can count towards the Queensland Certificate of Education.

VETiS funded by the VET investment budget is fee-free for students. For further information

### Fee Paying Students

Full fee-paying students pay a total cost of \$6,529.95 (no GST payable) via instalments per unit of competency.
