Memorial Service

In our parish, traditionally we celebrate two memorial services per year, one in May and one in November. All are welcome, and we especially encourage families who have lost a loved one. Some people like to come to all our services and they are most welcome.

Unfortunately, we have been unable to celebrate any memorial services this year and have been very restricted with numbers who may attend funerals. We are in a time when our traditional ways of farewelling are very limited. It has been extremely difficult for all to have very limited numbers at funerals.

A memorial service is a prayer service in which we take time to remember those who have died. We use prayer, song and symbol. We celebrate the life of a loved one, we recall their qualities, our love for them, our precious memories and all that we store in our hearts. We honour and pay tribute.

When we are again able to gather together in worship, we will be offering memorial services. You may like to arrange a service with all your family members and friends who were unable to attend the funeral, or you may like to join together with others who have had the same experience and celebrate the life of the one who has passed away.

Our parish will be happy to arrange memorial services for you as soon as our churches are reopened with "unlimited" numbers. Just contact the Parish office (4151 6666) if you would like to organise a memorial service for your loved one, or would like to gather together with others to remember and to celebrate the life of deceased loved ones.

From Fr Peter Tonti...

It is our hope that Mass scheduling will continue at our 3 churches, and will depend on our ability to safely manage the COVID-19 requirements. Live-streaming will also continue as per the above table, which we will continue to update and publish for the immediate future. We thank you for your understanding in these difficult times. The parish will maintain the highest possible level of communication so that you can continue to be fully informed.

Please be reassured that Bishop Michael's Decree states that, during this time, the faithful are not obliged to attend Sunday Mass and Holy Days of Obligation. Let us pray that restrictions will soon be lifted and we can once again celebrate the fulness of Eucharist together.

Lighter Side

The Army of the Lord

A man was coming out of church one Easter morning, and the pastor was standing at the door as always to shake hands. He grabbed the man by the hand and pulled him aside.

The pastor said to him, "Son, we need you to join the Army of the Lord!" The man replied, "I'm already in the Army of the Lord, Father."

"Then how come I don't see you except at Christmas and Easter?" the pastor questioned.

He whispered back, "I'm in the secret service."

SCRIPTURE REFLECT and RESPOND

Exodus 34:4-6, 8-9

In Moses' appeal to the Lord to remain with the Israelites despite their sinfulness, God reveals his fidelity and mercy. Where do you see these aspects of God in your life journey?

2 Corinthians 13:11-13

We hear today one of the earliest New Testament references to the Holy Trinity in Paul's closing remarks to the Christians in Corinth. For Paul, the Trinity embodies grace, love, and fellowship. What insight does this offer us about our Triune God?

John 3:16-18

This well-known text from the Gospel of John reveals to us God's self-sacrifice for our salvation. Why do you think so many people reject or simply ignore this offer of eternal life from God?

PARISH MISSION STATEMENT

and called by God.**

THE MOST HOLY TRINITY

God so loved the world
that he gave his only Son,
so that everyone who
believes in him might not
perish but might have
eternal life. - Jn 3:16

GOSPEL REFLECTION

A well-choreographed dance can be truly inspirational. Each movement and step are interconnected, each contributing a piece of the unfolding artistic story. The beholder is caught up in the rhythms, music, and gestures, realizing that none are dispensable and all are necessary. The same is true of the Divine Dance of the Trinity. Each Person plays a part, using unique gestures and movements that are connected to the other Divine Partners. They tell a story of love. Every movement and step is born of love and flows on into eternity. The Divine Dance never ends.

God the Creator powerfully, yet with gentle love, leads. Creating and recreating, birthing and sustaining, He dances with the compassionate incarnate Son, guided by the breath of the Holy Spirit. They are three distinct Persons but move as One. On one hand, the cascading flow of their Presence appears motionless, yet on the other, flows and moves with effortless attention. They share one heart, one goal, and one purpose and invite all of creation to join in their dance, their joy.

The energy of the Trinity flows through all created things. It is a dance of the heart, not of the mind. It has to be experienced, not dissected, and contemplated, not understood. We stand in awe of the Divine Dance and find ourselves watching in amazement all that God creates and sustains. The dance continues in the majesty of a mountain, the power and wonder of an ocean, and the vastness of the universe. It moves in the cry of a newborn infant and in the soul of one who has been forgiven. It flows in the cry for justice and in the wounds of the oppressed. It circles through the changing of seasons, the cycles of birth and death, and the wisdom that one acquires when they love God.

The Dance never ends. Its movements and rhythms go on forever. The Trinitarian Dance sustains all things, endures all things, and brings hope. You are invited to dance. Don't just watch as if you were simply a spectator. Join in the dance and move as they move. ©LPI
