

Year 7 Camp 2020

Revised Student Equipment List

Please note that the following list contains items necessary for a successful and safe camp.

Please ensure your son or daughter brings the following:

SMALL DAY PACK

Raincoat - important

Broad Brimmed Hat (for sun protection) and a spare hat is a good option.

2 litre water bottle

Sunscreen (enough to reapply during the day)

Insect repellent (non-aerosol)

2 pairs of sturdy and comfortable sandshoes (wear one pair and have a spare pair for wearing in canoes that can get wet and won't come off in the water)

Spare set of clothes

Towel

Plastic bag for wet clothing

Remember to have all items clearly named so anything left behind can be returned!

Do not bring aerosol cans for such things as deodorants etc.

Mobile phones will be collected by your Teacher and handed back to you at the end of the day. If a parent needs to be contacted this will be done through the head of Chaverim, Mr Geoff Houghton.

Students are involved in outdoor activities for the majority of each day at camp and are therefore exposed to sun, wind, cold or rain. Clothes should be functional and provide adequate protection from the elements (e.g. collared polo shirt). The outdoor education camps are not fashion parades; old clothes are more suitable. **DO NOT WEAR;** midriff, halter or string style tops, tops with low or wide necklines, make up, necklaces or jewellery.

Climbing harnesses for high adventure activities will be worn so extremely short legged shorts or very baggy low riding shorts are not suitable. Clothing similar to the College sports uniform is adequate.
