

# Have you heard about the.... **COMMUNITY SERVICES GATEWAY TO INDUSTRY SCHOOLS PROJECT?**

**#myjobishumans**

From community care to youth justice, from homelessness to disability support, the Community Services sector serves as an entrance to a range of diverse careers. The Gateway project works with young people, schools, employers, trainers, universities, and families to ensure a strong training and experiential pathway for tomorrow's community services workforce.

- Did you know that the Community Services sector offers a wide range of career pathways?
- Do you know what types of vocational education and training (VET) and higher education pathways are available for your son or daughter?
- What are the different sectors in the industry and where is the biggest growth?
- What jobs are available locally?

Register today, at our parents' webinar.
