

Applying to QTAC 2021

QTAC | CHOOSE
THE FUTURE

What is QTAC?

- A not-for-profit organisation
- Owned by seven Queensland universities

What do we do?

- Provide information about tertiary study and courses
- Process and assess approximately 75,000 applications per year
- Make offers in over 1800 undergraduate courses on behalf of 17 institutions
- Calculate and award ATARs.
- **QTAC is here to help match applicants with an opportunity that is right for them.**

QTAC makes offers on behalf of these institutions

ADMISSION CRITERIA

Admissions Criteria

Admissions rules vary:

- Institutions determine their own admissions rules and QTAC implements them
- Rules are applied consistently within institutions, but rules change from institution to institution

Eligibility
Have you met the minimum entry requirement?

System begins to check merit

System moves to the next preference

Merit
Is your rank above the minimum?

Application goes on to compete with all other applicants on the basis of rank

System moves to the next preference

What are the eligibility requirements?

They may include:

- Age requirements
- Subject prerequisites
- Portfolio, audition or interviews*
- Essays or personal statements*
- Questionnaires or exams* (medicine and dentistry may require UCAT)

* Check early closing dates

How is merit determined?

Applications are allocated ranks based on their assessable qualifications.

These assessable qualifications may include:

- Year 12 OP and ATARs
- Overseas Year 12 qualifications
- Tertiary study – Bachelor/Masters (min 2 subjects required)
- Completed AQF qualifications (Cert 3 and 4)
- Diploma, Advanced Diplomas
- Music, dance, drama qualifications
- Bridging and preparatory courses

Don't forget

Not all QTAC applicants are 2021 Year 12 school leavers

ATAR FOR TERTIARY ENTRY

What is the Australian Tertiary Admission Rank (ATAR)?

Primary mechanism used nationally for tertiary admissions.
Indicates a student's position relative to other students.

2,000 point scale from 99.95 down to 0.00.
ATARs less than 30.00 are reported as '*30 or less*'.

Queensland ATAR is calculated by QTAC for entry into tertiary courses.
Is the standard pathway to tertiary study in QLD.

The Queensland Certificate of Education (QCE) and the ATAR (Australian Tertiary Admission Rank) are different and have a different purpose.

For questions about the QCE, including assessment and subject results, please contact QCAA (Queensland Curriculum & Assessment Authority) at www.qcaa.edu.au

QCE

Certifies learning, showing the individual has achieved a specific standard of education at senior schooling level and may be considered by employers and the general community.

ATAR

Tells us about a student's position (or ranking) compared to all other students in the state. The only intended purpose for the ATAR is to assist with selecting applicants for tertiary study.

ATAR Eligibility Requirements

5 General
Subjects

OR

4 General
Subjects *plus*

either:

- Applied subject
- Completed Certificate III or Higher Level VET Qualification

English – Compulsory Subject

Students must successfully complete one of the following:

- English
- English as an Additional Language
- English & Literature Extension
- Literature
- Essential English

Successfully complete = 'C' letter grade or higher.
No specific subjects are mandated inclusions in the ATAR.

How is VET included in the ATAR?

Each VET qualification level has a single scaled score that can be included in the student's ATAR.

For example, Cert III in Hospitality and Cert III in Lab Skills will have the same scaled score, regardless of duration or content.

It is expected that a scaled score for a VET Diploma will be higher than a Certificate IV, which in turn will be higher than a Certificate III.

IMPORTANT: VET qualifications must be recorded as completed in a student's QCAA learning account to be included in the ATAR calculation.

Scaling - Overview

Scaling is necessary so that student results in different subjects can be compared fairly.

Each state in Australia uses a scaling process in the calculation of the ATAR. In Qld, subject results are scaled by QTAC during the ATAR calculation process.

Scaling involves transforming “raw” subject results during the scaling process to allow the results for a given subject to be fairly compared with the results from any other subject.

Uses some complex mathematics to underpin the process

1.

ATAR Documents:

qtac.edu.au/atar/
qtac.edu.au/publications/

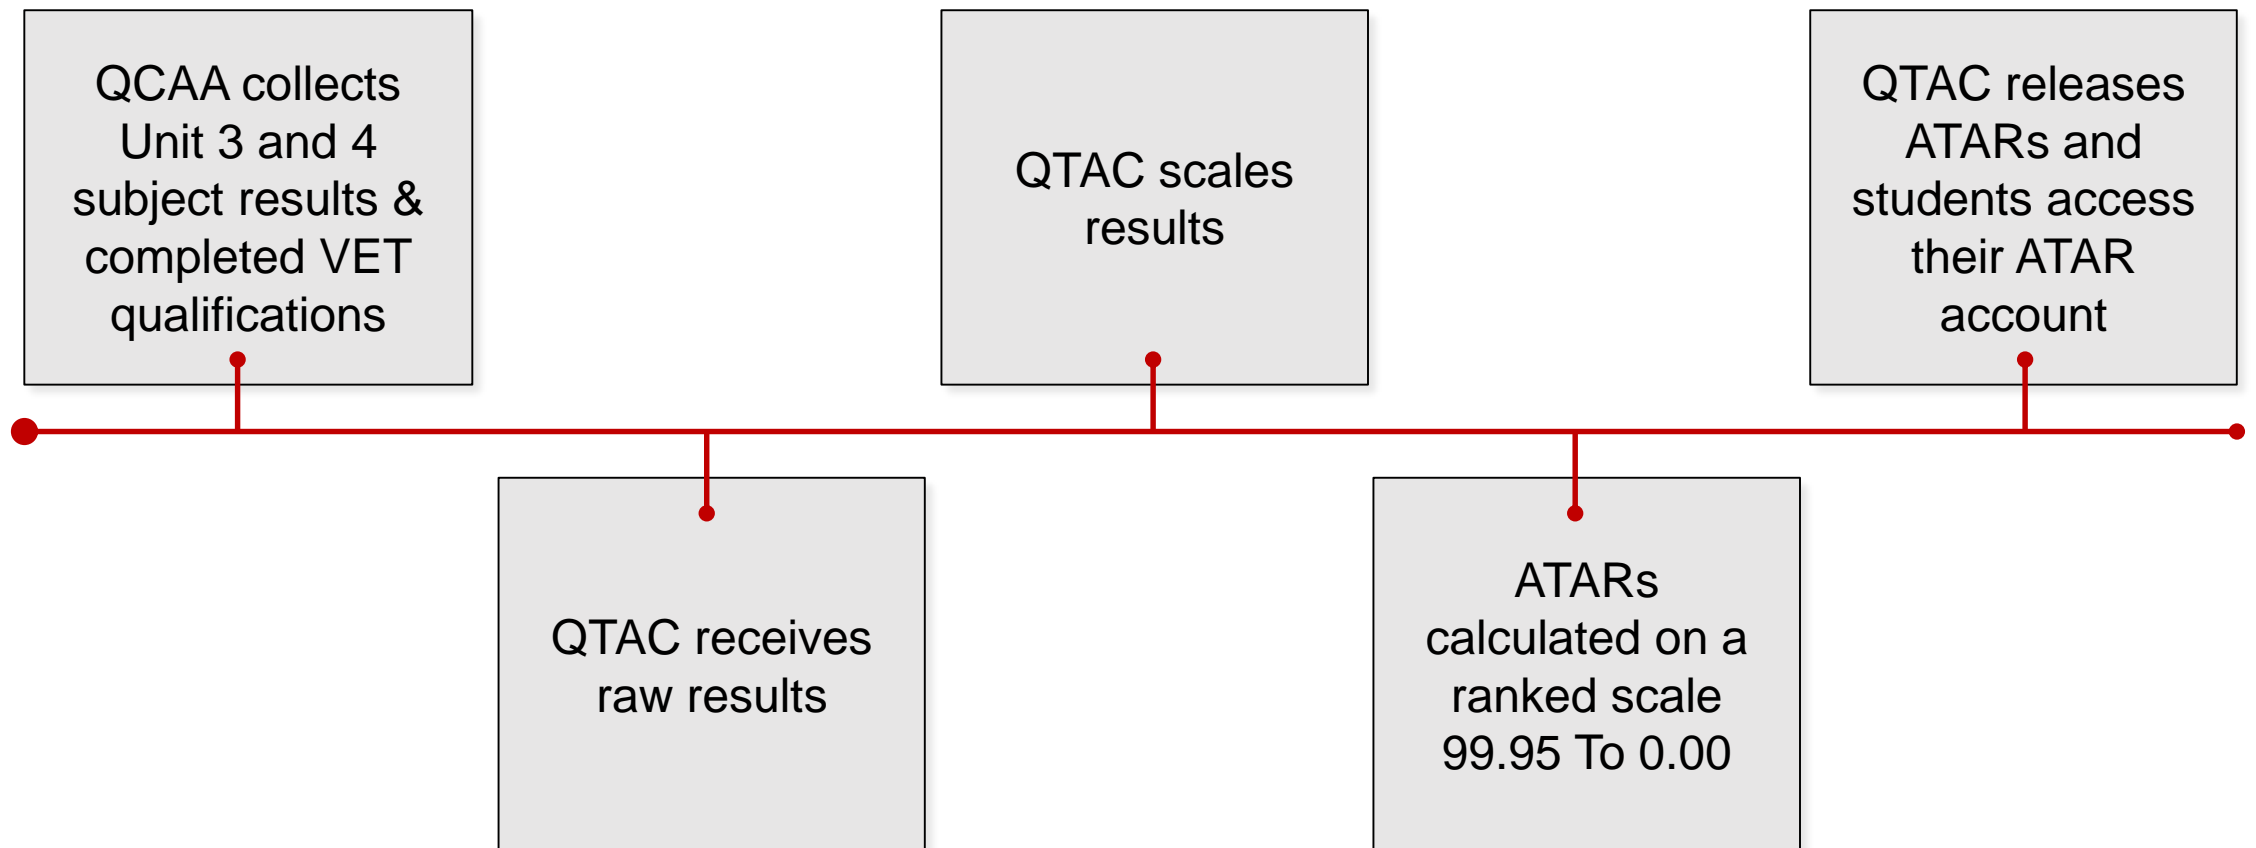

2.

3.

Sequence of Events

ATAR Calculators

QTAC **does not** endorse or support the use of “ATAR calculators” due to the changing nature of the student cohort from year to year.

ATAR calculators do not use current data so cannot accurately predict a student’s possible ATAR.

2020 ATAR results

Spotlight on High Achievers

Students receiving an ATAR of 99.95 did so with:

- 13 different subject combinations of subjects, and
- 16 distinct General subjects across humanities, languages and STEM

With the release of the ATAR each year, the combination and breadth of subjects contributing to various levels of achievement will change.

Each ATAR year has a different cohort of Yr 12 students, with differing subjects studied and differing abilities.

Accessing ATARs

2021 QUEENSLAND YEAR 12 STUDENTS

2021 ATAR REGISTRATION OPENS ON 3 AUGUST

Have the following personal details ready before you get started:

- ✓ Full name (as shown on your QCAA learning account)
- ✓ Date of birth
- ✓ LUI number
- ✓ Personal email address (do not use your school email)

Please Note: If you are planning to apply to tertiary study in 2022, you will also need to complete a [QTAC Application](#).

2021 Year 12 ATAR accounts created prior to 3 August 2021 will not be confirmed with the QCAA data until the 3rd August.

2020 ATAR account holders can still log into the ATAR Portal.

[REGISTER](#) or [LOG IN](#) to the ATAR PORTAL

Accessing ATARs

- Current Year 12s can open their ATAR account with QTAC **from Tues Aug 3** (Opening of Admissions)
- ATARs will be released at 9am on **18 December** in 2021
- The ATAR release is an online release only, via the ATAR Portal.
- Students can opt in to receive an ATAR release notification via email and can download and print a results notice.
- Students who wish to study interstate also need to register for their ATAR
- Yr 12s planning to apply for tertiary study in 2021 also need to complete a QTAC application **from Aug 3**.

QTAC | ATAR AND SUBJECT PREREQUISITES FOR TERTIARY ENTRANCE

QTAC | ATAR AND VET QUALIFICATIONS

WHAT IS THE ATAR?

Across Australia, the ATAR is a standard measure of a student's overall academic achievement in relation to that of other students. It is intended to assist tertiary institutions to select applicants into their courses.

The ATAR is a percentile rank, not a mark. This rank indicates a student's position relative to other students in their age group in any given year.

It's expressed as a number on a 2000-point scale from 99.95 down to 0.00 in steps of 0.05.

An ATAR of 80.00 does not mean a student got 80%. It indicates that the student placed in the top 20% of students in Queensland in their Year 12 age group.

WHO CALCULATES AND RELEASES THE ATAR?

Responsibility for calculating and issuing the ATAR has been assigned to the Queensland Tertiary Admissions Centre (QTAC) on behalf of Queensland tertiary institutions.

QTAC administers the application and offer process for tertiary institutions in Queensland (and a few institutions interstate) and has over four decades of experience in tertiary admissions.

For more information call us on **1300 467 822** or visit qtac.edu.au or email atar@qtac.edu.au

Need help?

Need more information?

Call the ATAR hotline 1300 193 173

For more details about changes to subjects and curriculum, visit the [QCAA](#) website.

For specific questions about the ATAR, email atar@qtac.edu.au.

OTHER PATHWAYS FOR TERTIARY ENTRY

There are other pathways for tertiary entry

Institutions may also consider completed **VET qualifications (at Certificate III level and higher)** as a basis of tertiary admission on their own (including non-school leavers applying for tertiary study) as summarised below:

Policy	Institution
Institution specific schedules	Australian Catholic University Bond University Christian Heritage College CQUniversity Australia Griffith College Griffith University James Cook University Queensland University of Technology (accepts school leavers with Cert IV & above & who also graduate with a QCE, ATAR or IBD) TAFE Queensland The University of Queensland (for non-current school leavers) University of the Sunshine Coast University of Southern Queensland University of New England Southern Cross University

Performing arts qualifications for admissions

Non-AQF performing arts qualifications (such as AMEB awards) are not included in the ATAR calculation. However, some institutions may consider these qualifications on their own (including for non-school leavers) as a basis of admission to tertiary study, as summarised below.

Policy	Institution
Institution specific schedules	Australian Catholic University Christian Heritage College CQUniversity Australia Griffith College Griffith University James Cook University TAFE Queensland The University of Queensland (for non-current school leavers) University of the Sunshine Coast University of Southern Queensland University of New England Southern Cross University
Institutions that will not accept performing arts qualifications as a basis of admission for any category of applicant	Bond University Queensland University of Technology

Pathways continued...

University might not be for everyone.

If students aren't looking at getting a university degree, a certificate, diploma or trade qualification might be something to consider. They can offer great benefits including;

- Starting work straight away.
- Practical, on the job training.
- Possible credit towards a degree down the track.

Everyone who goes to university or TAFE is going to have their own individual experience.

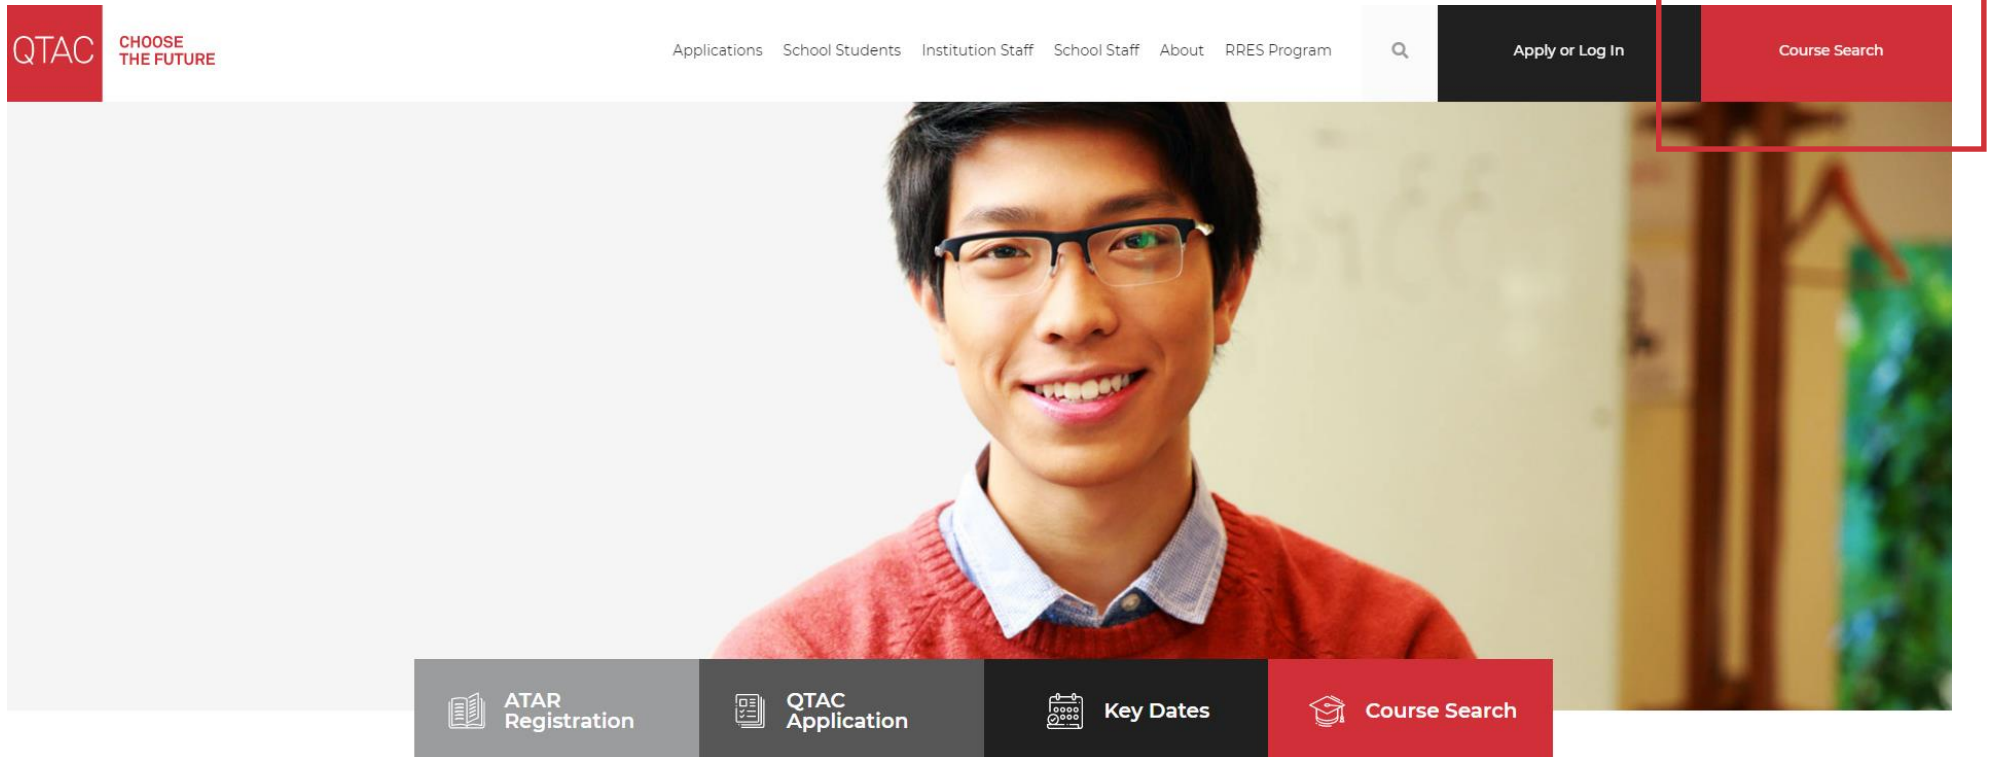

Don't forget, QTAC is here to help match students with an opportunity that is right for them.

COURSES AND WHAT TO LOOK FOR

What are the courses for which QTAC makes offers?

Go to our **Course Search** function on our website at qtac.edu.au

NB: Examples today show details for 2021 courses. Our website should be updated late July for 2022 courses in time for when admissions open in August.

Bachelor of Paramedicine

University of Southern Queensland - Ipswich

← Back ♥ Bookmark

Overview Admissions Criteria Student Profile Career Possibilities

Course outline

This program provides students with the skills and clinical knowledge needed to be a paramedic. Students are trained in the areas of patient assessment, decision-making and practical skill acquisition that is required for working in the challenging setting of paramedic practice. Students complete clinical placements with Queensland Ambulance Service and in other healthcare settings to gain hands-on experience. These experiences are enhanced by on campus training labs that include simulated ambulances to improve their practical skills and clinical decision-making. This program has been designed by leading medical and paramedic staff who understand paramedic practice. For more program information, visit [Bachelor of Paramedicine at USQ](#).

Note

Practical experience is an integral component of the program and each student is required to undertake and satisfactorily complete clinical practical experiences.

Other requirements

Prior to undertaking clinical placements with Queensland Ambulance Service (QAS) students must meet the medical, physical and functional requirements of QAS for student paramedics and must have a current first aid certificate, Blue Card, evidence of hepatitis B status and have a current criminal history police check.

Prerequisites

Assumed Knowledge

Recommended Study

Prerequisites - You must have these subjects at the specified level of achievement to be eligible for entry into that course

Assumed knowledge - Lecturers will pitch the content of the coursework **assuming you have the knowledge** from the specified subject at a Year 12 level

Recommended study - This knowledge **would assist** you in completing the study

Subject prerequisites

Subject (Units 3 and 4, Letter Grade).

For example:

Physics (Units 3 and 4, C)

Mathematical Methods (Units 3 and 4, C)

Where **English** is listed as a prerequisite, the description will list all general English subjects as below, then (Units 3 and 4, C):

- English
- Literature
- English & Literature Extension
- English as an Additional Language

PREFERENCES

What is preferencing?

- Preferencing is an important part of the application process as only **one offer is received at a time**, based on your **highest eligible preference**
- Each application has up to **6** preferences
- Preferences can be changed after the application is lodged, even after an offer is made
- Each application comes with 3 free changes as part of the application fee
- It is a good idea to keep one preference change for when ATARs are released.

Ordering Preferences

ADJUSTMENT SCHEMES

Selection Ranks & Adjustment factors

ATARs are calculated only on the students' actual QCE subject results which have been scaled

Adjustment Factors (EAS, subject, etc) are applied **after** the ATAR is calculated

Application Selection Rank = ATAR plus Adjustment factors

QTAC continues to administer Adjustment Factor schemes which have been determined by individual institutions

Education Access Scheme (EAS)

- Helps if your studies have been negatively affected by circumstances beyond your control
- Applies adjustment points to your rank to help you compete more equitably for an offer
- You can apply to EAS as part of your QTAC application
- Must include all the appropriate application forms and documentary evidence.
- Different institutions award different adjustment factors so one may allow more or less adjustments than another

Education Access Scheme (EAS)

EAS Categories

1. Financial Hardship
2. Home Environment and Responsibility
3. English Language Difficulties
4. Personal Illness or Disability
5. School Environment

Other Adjustment Schemes

Each institution has their own adjustments that are applied at the time of application

- Regional schools
- School relationships
- Subject Schemes
- Elite athletes
- Introductory study
- Equity
- Aboriginal and Torres Strait Islander

OTHER APPLICATION CONSIDERATIONS

Application Checklist - you will need these:

- LUI (Learner Unique Identifier)
- Alternate email address
- Additional qualification details
- Authorise someone

Application Process for Current International Year 12 Students Applying to QLD Institutions

- All year 12 students completing the QCE must apply through QTAC
- For interstate applications please contact the relevant TAC if you are applying as an International student.

QTAC Fees 2021/2022

Year 12 Students

- 3 August – 28 February \$46

Change of Preference

- 3 changes included for free
- 4th and subsequent changes \$46

*Ensure payment is complete –

Deferment

Deferment lets you delay starting your course. Usually, you can defer for up to a year, but some institutions let you defer for longer. Others do not allow deferment.

In most cases, you can defer when you respond to your QTAC offer. The institution contacts you to advise what to do next.

Institution deferment policies

Select an institution for information on their deferment policy.
