Future Fit Academy, BHP, Mackay - Register your Expression of Interest NOW

- Heavy Diesel Fitting
- Mechanical Fitting

You'll have a permanent job from day one and get paid to learn a nationally accredited traineeship or trade apprenticeship. Recognised skills that could take you across Australia with BHP. The BHP FutureFit Academy is a new approach to training with a pathway to a career in maintenance with "fit for purpose" training programs in Mackay. Be one of the 2,500 apprentices and trainees who will achieve a maintenance qualification at FutureFit. Once trained and qualified, you will go on to a permanent job with the Operations Services Maintenance team at one of BHP's Australia-based operations in WA's Pilbara or QLD's Bowen Basin regions.

Please find below the application link to the Expression of Interest and our FAQ page for the FutureFit Academy. Complete this and you will be advised once applications are officially open.

Electrical and Instrumentation Apprenticeship 2022, Orica, Yarwun

Orica Yarwun, in partnership with Apprentices and Trainees Queensland, is seeking applicants to undertake the following apprenticeship commencing in January 2022:

Electrical and Instrumentation Apprenticeship

Orica is a global leading producer and supplier of technical solutions to the mining and mineral processing industry. We are committed to providing superior quality products and services to our customers, supported by strong technical expertise. Orica is an Australian owner, publicly listed global company. The Orica site at Yarwun comprises two major complexes, a world scale industrial grade Ammonium Nitrate complex and the Chemicals Complex comprising a Cyanide Plant.

Applicants are sought with the following qualities:

- Demonstrated high level of motivation
- Commitment to complete the qualification
- Ability to work well in a team environment
- Strong attention to detail & problem-solving skills.
- Willingness and desire to learn
- Passion for fixing and repairing

Desirable Qualifications:

- Pass in Year 12 English and Year 12 Math
- Manual Driver's Licence
- Industry White Card
- Work experience in similar trades will be highly regarded.

Orica offers an apprenticeship within a company with limitless opportunities and established systems and support. The successful individual will gain exposure to wide range plant equipment, as well as comprehensive training and development opportunities.

To be eligible for this position you must be an Australian Citizen or permanent resident and live locally in the Gladstone region. Position available is an entry-level Junior Position. School leavers are encouraged to apply.

We are an equal opportunity employer. Please email your resume and supporting documentation to recruitment@atqld.com.au.

Closing Date: Tuesday 10th August 2021
